ALDOT Aeronautics Chief Dr. John Eagerton reported that due to the fact that NBAA President Ed Bolen was one of the major speakers for the conference, that "The Wall Street Journal" would have reporters on hand for the occasion. Dr. Eagerton also stated that the announcement would be made concerning the "Free Airport Signs" would only be delivered to those airports attending the conference. Those not in attendance would have to pay for their orders of the signs.

Everyone on the Board were given their individual conference assignments and the meeting was adjourned with the announcement that the Annual Meeting would be held at 4 P.M. Thursday during the conference.
